General Information

LOCATION—The sale will be held in the modern heated sale pavilion on the Oeceola County Fair Grounds just three blocks west of the main intersection in Sibley, Iowa. Sibley is at the junction of Highways 9 and 33, and excellent paved and graveled roads run in both directions. It is on the main line of the Chicago and Northwestern Railroad.

TIME—The sale will start at 12:30 p.m. on Tuesday, January 7, 1958.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignors or written from information supplied by the consignor.

FOREWORD

The 18th ANNUAL TRI-STATE SHORTHORN BREEDERS' SHOW AND SALE to be held at SIBLEY, IOWA, on TUESDAY, JANUARY 7, 1958 is presenting it's strongest and best balanced offering quality-wise in its 18 year history from the standpoint of improving herd bulls and foundation females. This sale has established an enviable reputation as a place for breeders and farmers to buy improving herd bulls and females. Each year new consignors have been added, and each year new bloodlines are offered for old customers. The offering has annually sold to many states over a wide area.

If you will study the catalog carefully you will note that the richest bloodlines are offered. Note that many are by top imported bulls, the others are by proven American bred bulls. All are out of proven producing dams.

The bulls offered contain good 3-year-olds, rugged 2-year-olds, and the balance outstanding yearlings. Every bull is old enough for service.

The females which contain great cows with outstanding calves at foot, the very best bred cows and heifers, and open heifers that are show prospects, are by far the best ever presented at Tri-State.

The Tri-State Sale is proud of a long list of satisfied customers, so why not join them on sale day, January 7, at Sibley?

ROYAL MAX—This outstanding son of Killearn Max Juggler was reserve champion bull in the 1954 Tri-State sale when he was nine months old. He has proved to be an outstanding breeder and individual. Royal Max has sired the champion 4-H breeding heifers over all breeds at the Nobles County Fair the last two years, two county champion Shorthorn steers and several other high placing calves. Look this bull over and you will agree he should go in a good herd.
